The Applicant User Guide contains helpful hints for successful submission. The Grants.gov Applicant User Guide is available at: https://www.grants.gov/web/grants/applicants.html.

4. At www.grants.gov under the "Applicants" tab, choose Apply for Grants. When using Grants.gov, you will be able to download a copy of the application package, complete the application offline, and then upload and submit the application via the Grants.gov site. Waivers of the electronic submission requirement will not be granted.
